

AUTOMATE®

# USB-C Port Extension for Li-ion FT Motor

The Automate USB-C Port Extension makes charging your Li-ion FT Motor simple and convenient by positioning the USB-C port in an easily accessible location.

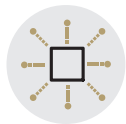

#### Convenient Access

Position the charging port to an easy-to-reach location.

#### Weather-Resistant

Designed for outdoor durability with a robust, weatherproof housing.

#### Seamless Integration

Clean, low-profile design blends into exterior installations.

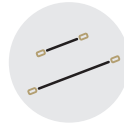

#### USB-C Compatibility

Works with standard USB-C chargers.

#### Flexible Setup Options

Use with the Li-ion FT motor alone or in combination with the Outdoor Solar Panel for versatile charging solutions.

#### Multiple Length Options

Available in 1.5m & 2.5m length options.

7 YEAR WARRANTY

ARC

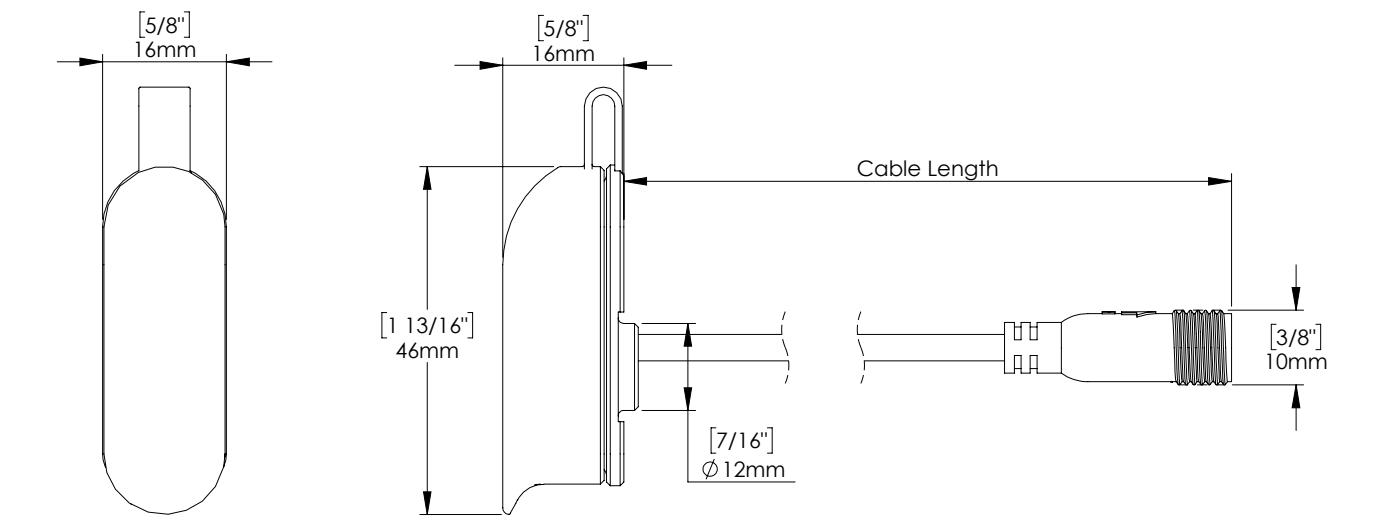

ARC™ (Automate Radio Communication) is Rollease Acmeda's proprietary technology utilizing 433MHz radio communication with bi-directional feedback that brings Automate motorized shading systems together.

A Division of Rollease Acmeda
