Rollease Acmeda's obligations under this warranty are limited to, at Rollease Acmeda's discretion, the repair, replacement, or appropriate credit in respect to defective parts or products.

Repairs and replacements will be made with like or similar components. If Rollease Acmeda decides, at its discretion, to issue a credit, it will not exceed the amount of the original purchase price of the component.

Some states do not allow the foregoing exclusion or limitation of incidental or consequential damages, so the foregoing limitation or exclusion may not apply to you and you may have other rights available in your state. Warranty claims must be accompanied by the original sales information as well as relevant details regarding the claim, including the nature of the problem, the location of the product, fabrication and installation details, cleaning/maintenance history, and any other relevant information.

To return products for inspection and, if the condition or damage is covered by the warranty, repair, or replacement, contact us for a return goods authorization (RGA) number, and then ship the parts in question back to Rollese Acmeda, freight charges pre-paid. Rollese Acmeda will inspect and repair or replace any covered, defective items and return them freight pre-paid.

Cleaning and Maintenance Instructions for Fabrics:

Fabric may be cleaned by occasional vacuuming to remove dust. For stained shades, wipe the fabric with a clean sponge and mild detergent or dish soap and thoroughly rinse. Allow the shade to dry completely before raising.

Any mild cleaning product should first be tested on a small, inconspicuous area prior to broad application on the shade panel. A swatch sample of the fabric may also be obtained through Customer Service for testing purposes.

Do not completely immerse the fabric.

We do not recommend commercial spot cleaners or diluted bleach mixtures, but if used, it is at your own risk and should first be tested. Do not use cleaning methods involving heat, bleach, abrasives, or solvents. Use of these methods will void the warranty.

For external fabrics, please refer to your retailer for more information on appropriate cleaning processes and materials.

Cleaning and Maintenance Instructions for Hardware:

Use a mild detergent and a soft brush or cloth to clean Rollese Acmeda hardware when required. Never use a pressure hose or harmful chemicals on your system. Always attend to dirt, animal droppings, and stains as soon as possible, to prevent potential deterioration of your system.

Effective Date

This Limited Warranty is effective as of December 1, 2021 and only applies to products purchased on or after that date.

Amendment

Rollese Acmeda reserves the right to amend, modify, or eliminate this Limited Warranty without notice. Any change will not impact products purchased prior to the date of change.
