AUTOMATE®

Square Rechargable Battery Pack

A fully internal, rechargeable power solution—eliminates the need for external outlets, power supplies, or disposable wand batteries.

Cordless & Outlet-Free
Fully housed inside the head-rail of cellular shades for a clean, cordless installation—no external wiring or nearby outlets required.

Purpose-Built Compatibility
Specifically designed for Automate cord lift tubular motors and compatible with cellular shade systems using Rollease Acmeda adapters

Reliable Cycle Performance
Delivers up to 250 shade cycles per charge, depending on shade size and fabric weight.

Quick Recharge
Fully recharges in 6 hours for dependable, consistent operation.

Optional Solar Charging
Extends battery life with a solar powered trickle charge, reduce manual charging with the optional solar panel.

Battery Status
Check battery health in the Automate Shades App when paired with Pulse PRO.

USB-C Charging
Fast, easy charging with a standard USB-C cable.

5 YEAR WARRANTY
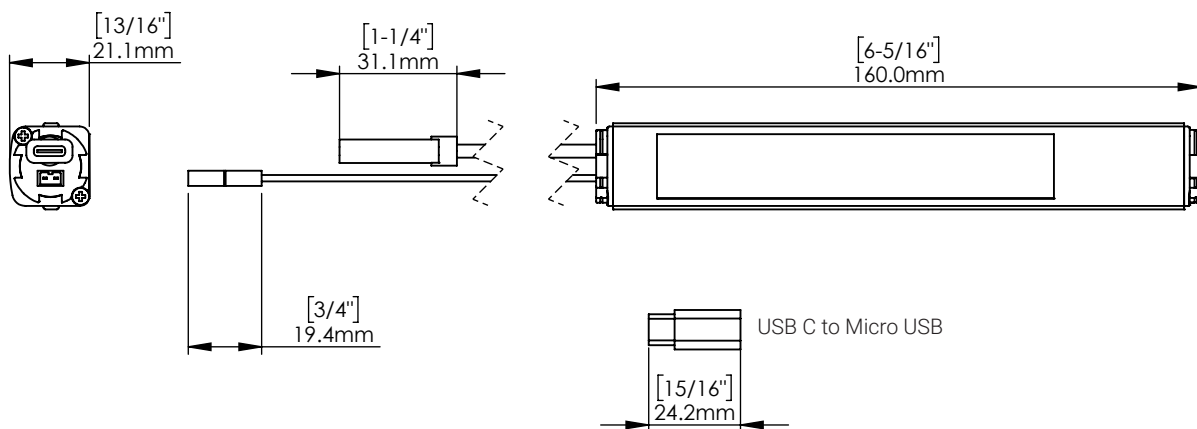

Product Specifications

Part #: MT03-0305-069013   Automate | 5V Small Square Rechargeable Battery Pack 2600mAh

Input Voltage	5 VDC	Input Current	2 A
Typical Voltage	12VDC	Battery Size	2600mAh
Nominal Voltage	8.4 V	Battery Type	Li-ion Rechargeable
Rated Energy	27.54Wh	Temperature Working Range	32°F to 140°F (0°C to 60°C)
Discharging Current	2.6A Max	Charging Time	≈ 7 Hours

Dimensions

[13/16"] 21.1mm

[1-1/4"] 31.1mm

[6-5/16"] 160.0mm

[3/4"] 19.4mm

USB C to Micro USB

[15/16"] 24.2mm

Works with

- AUTOMATE Cord Lift Motors
